### **THE LIBRARY CLASS (M241)**

Very informal in nature and structure, very discussion oriented, this class is not afraid to develop a deep understanding of theological concepts. Class begins at 10:00 a.m. and meets in M241. Currently, this class is in-person only.

### **NEW COVENANT CLASS (YOUTH BUILDING Y101)**

The New Covenant Class is a group in its late 30s and 40s. We have a team of teachers who rotate throughout the year teaching a variety of topics. Our series and lessons vary in length and cover books of the Bible, specific scripture, life topics, and studies that follow the liturgical seasons. We use a mixture of video series, discussion and written curriculum. We usually have a couple of social events a year and support various church and community ministries. We are currently meeting in-person on the ground floor of the youth building in room 101.

### **SEEKERS CLASS (M234)**

The Seekers is a class of both singles and couples in the 45+, anyone is welcome. Led by Bob Borneman, George Flowers and Mary Lou Jarrell, this class uses a variety of studies, usually 6-8 weeks long, which cover topics from books of the Bible, to people in the Bible (i.e. Peter) to awareness of church history and current challenges facing Christians today. Most, but not all, include a video component and may come either from Rightnow Media or DVD.

In "normal times", this class enjoys supporting ministries at Christmas and throughout the year, has been known to work together for St. Paul for All and gets together quarterly for dinner at a restaurant or a member's home. Coffee and donut holes are

enjoyed before the class begins at 10:00. Currently, we meet in the hybrid model of both Zoom and in-person. If you would like the Zoom link, please email [maryloujarrell22@gmail.com](mailto:maryloujarrell22@gmail.com).
